Rob,

Tierra, will submit a bathy QAPP for NB on Friday Nov 9. They will submit the last EPA LPR approved QAPP - submitted by the CPG- with RLSO. We want Tierra to do this work soon and I will be forwarding to you for the CPG's comments. Do you think you can send me comments by Tuesday Nov 27 -I understand that it may be a stretch -given Holidays, etc.,-? If not, let me know when will be a good date.

Thanks,
